ALUMNI ADMISSION AMBASSADOR

Represent your alma mater in your community or at campus events as an **ALUMNI ADMISSION AMBASSADOR**. This volunteer program is an opportunity for you to promote the value of an MCLA education, to stay connected, and to build your own network.

As a graduate, you are the foremost authority on what it's really like to study here and how you have benefited from your education. Share your first-hand experiences and your successes with prospective students and their families to inspire them to consider MCLA. At the same time, build your own professional network with community members and fellow alumni.

OPPORTUNITIES FOR PARTICIPATION:

There are many ways you can participate as an Ambassador, right in your own community or in other regions. Admission volunteer opportunities include:

- Communicating with prospective students by phone, email, or social media channels
- Connecting with prospective students at high school college fairs or classroom visits, career nights, and conferences in your region
- Hosting admissions-sponsored gatherings in your region
- Attending open houses at MCLA to provide a personal perspective for students
- Write hand-written notes to prospective or accepted students

REQUIREMENTS:

- You are a NASC/ MCLA alumnus, parent, or faculty member
- You have a passion for sharing your positive experiences as a NASC/MCLA student with others
- You can articulate the benefits of your education and want to inspire prospective students to consider MCLA
